

# Crusader Shadow Day

The *Crusader Shadow Day* is available to current 8th graders or upper class students who are interested in transferring.

The day provides an opportunity to experience an enjoyable academic day with LC students and teachers. Your child will be able to engage in conversations about the sports teams, clubs, fine arts and STEM programs.

On the Crusader Shadow Day, Parents/Guardians should stop at the LC Welcome Table in the Fishman Center, no later than 8:10 am. The day begins at the 1st Period (8:14 am) bell, when your child will meet their LC student in the President's Office. Before they leave for their day, your child will receive a FREE lunch pass.

At the end of 7th Period (1:47 pm), they will then have the opportunity to meet our STEM Advisor, Mrs. Mary Antoni, or our Athletic Director, Mr. Tom Quintois, in our Resource Center.

The Parent/Guardian who will be picking up for the day is also invited to join this discussion with your child and our staff. The day should be completed by 2:15 pm.
